SECTION - B**(Descriptive Type Questions)**

1. Read the following passage carefully and answer the questions that follow :

A reason why students at school read books is to please their teacher.

A number of boys and girls, anxious to please their teacher, get the book and read it. Two or three may genuinely like it, and be grateful to the teacher. However, many will not honestly like it, but are unable to say so. This does a great deal of harm to them. They would put off the idea of reading the book or they will feel guilty about it. Only when students read books voluntarily for their own pleasure, they can get knowledge and be benefitted.

An intellectual is one who is enlightened. Being an enlightened person, he has to give light to others who are in need of it. In every society we find intellectuals who have a great responsibility towards the society. They have been guiding humanity to the path of felicity and amity. The intellectuals should come out of their ivory tower and try to elevate others to their level. In this way the society would be benefitted largely. Intellectuals have a responsibility towards the society whereby they should inspire people and ensure collective upliftment of the society. biharboardquestionpaper.com
